## ATTRACTION SAFETY REQUIREMENTS

All Cedar Point Shores attractions are rated according to the various ride experiences. These ratings are posted at the ride entrances. Use these ratings to determine which rides will be appropriate for you. 1 is for mild thrill rides, 5 is for the most aggressive thrill rides.

**Many attractions at Cedar Point Shores are dynamic and thrilling. There are inherent risks in riding any amusement attraction. For your protection, each attraction is rated for its special features, such as high speeds, steep drops, sharp turns, or other dynamic forces. If you choose to participate, you accept all of these risks. Restrictions for guests of larger size (height or weight) are posted at certain attractions. Guests with disabilities should refer to our Ride Admission Policy available at the Cedar Point Shores Information Station. Participate responsibly. You should be in good health to participate safely. You know your physical conditions and limitations, Cedar Point Shores does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, DO NOT PARTICIPATE!**

- Guests with a history of recent surgery, heart trouble/high blood pressure, neck trouble, back trouble, or any other condition that may be aggravated by riding, or who are pregnant, should carefully heed all warning signs at each entrance. If you are in doubt about your ability to safely experience an attraction or would like more information, please request our Guest Assistance Guide at the entrance gate. We'll be happy to brief you on our Ride Admission Policy and explain how it applies to your specific situation.
- Most attractions cannot accommodate loose articles including jewelry, cell phones, hats, eyewear, cameras, purses, backpacks, beverage containers, electronic devices, etc. Items must be safely secured in a waist pack, in a locker, or with a non-rider. **Cedar Point Shores is not responsible for lost, stolen, or damaged items.** For safety reasons, cell phone usage, taking pictures and filming on attractions are prohibited.
